Rotaract Club of Bangalore, established in the year 1968 has been making an impact in the community for over 53 years now. We continue to be a club young at heart, inspired by our members. It gives us immense pleasure to exchange our letterhead and participate in an association with your club to officially commemorate 'Talking Titans', the debate competition.

This initiative taken by our clubs will facilitate the change we as Rotaractors, intend on driving in the community we serve and live in.

We hope this association brings change, helps exchange ideas and thoughts, and importantly, creates an everlasting relationship that goes beyond this term. We look forward to working with your club on future projects and we wish you the very best throughout your endeavors.

Warm Regards,
